All of us Foot solutions value your business and appreciate your loyalty. We continue to return the favor in ways that matter most to you – superior products, professional solutions and unique saving opportunities.

**The details and rules are as follows:**

1. The reward program is free. There is no enrollment required. Rewards points will be issued with qualifying purchases made on or after March 1, 2009.
2. Rewards are represented by points based on final purchase price (less any discounts, redeemed vouchers or returns).
3. Rewards may only be redeemed via official reward vouchers received from Foot Solutions.
4. Available Purchase points and Total points will be shown on each receipt you receive on or after March 1, 2009. To determine the available value simply multiply the total points on your receipt by 0.01 (e.g. 1347 points equals \$13.47 in rewards)
5. You will receive two vouchers each year for points that exceed \$5 in value.
6. Any voucher valued less than \$5 will not be sent.
7. When you receive a voucher you must use it on or before the expiration date printed on the voucher or your points will expire and can not be used.
8. Vouchers are only redeemable at the issuing store. You can not redeem a voucher issued by Cary any other location.
9. Points will not be issued for modifications, service charges, shipping charges or NC Sales tax.
10. Vouchers do not have cash value. Items purchased using a voucher must be have a total purchase price equal to or greater than the voucher value (no cash refunds).
11. Returns originally paid for with a voucher will only receive a return of the actual cash value paid (less applicable restocking fees) and the points associated with that purchase become void.
12. Program rules are subject to change and voucher distribution dates may vary without notice.
